COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, AUGUST 27, 2001

PETITION OF

SINGLE SOURCE OF VIRGINIA,
INCORPORATED

CASE NO. PUC000153
(Formerly Case No. PUC980140)

For an extension of time by which
audited financial statements are
to be provided

ORDER GRANTING GENERAL CONTINUANCE

On November 25, 1998, the State Corporation Commission ("Commission") issued its Final Order granting Single Source of Virginia, Incorporated ("SSVA" or "the Company") a certificate of public convenience and necessity to provide local exchange telecommunications services subject to the restrictions set forth in the Commission's Rules Governing the Offering of Competitive Local Exchange Telephone Service ("Local Rules") (20 VAC 5-400-180, et seq.), § 56-265.4:4 of the Code of Virginia, and the provisions of that Order. Among other things, the November 25, 1998, Order denied SSVA's application for a permanent waiver of Local Rule § 5.A.4 (20 VAC 5-400-180 E 1 d) and required the Company to file audited financial statements for either itself or its parent, East Coast Communications, Inc.

("East Coast"), with the Staff no later than one year from the effective date of the Company's initial tariff.

On June 8, 2000, the Commission entered an Order granting SSVA's Petition for additional time in which to file audited financial statements for itself or East Coast. That Order extended the time in which the Company could file audited financial statements to July 19, 2001.

On August 1, 2001, SSVA, by counsel, filed a Motion requesting a permanent waiver of the condition that it provide audited financial statements to the Staff, or in the alternative, requested that the date by which it must file audited financial statements be extended to July 19, 2006.

On August 3, 2001, the Commission entered an Order that directed the Staff to investigate the Company's request for a permanent waiver and to file a response to SSVA's Motion by August 31, 2001. That same Order permitted the Company to file a reply to the Staff's response by September 14, 2001, and directed the Company to respond to Staff discovery within seven (7) calendar days of the receipt of same.

On August 20, 2001, SSVA, by counsel, filed a Motion wherein it, among other things, requests a general continuance of the procedural dates in this proceeding and asks that it be permitted to provide audited financial statements to the Staff by September 28, 2001. In support of its Motion, the Company

represents that it has retained a Certified Public Accounting Firm to prepare audited financial documents for it for the year ending December 31, 2000. SSVA maintains that such statements can be prepared and submitted to the Commission Staff on or before September 28, 2001.

NOW, UPON CONSIDERATION of the Company's August 20, 2001, Motion and having been advised by its Staff, the Commission is of the opinion and finds that SSVA's August 20, 2001, Motion should be granted; that the procedural schedule established by the August 3, 2001, Order on Motion should be suspended; and that consistent with the Company's representations in its August 20, 2001, Motion, it should be required to submit audited financial statements for calendar year 2000 to the Division of Economics and Finance on or before September 28, 2001.

Accordingly, IT IS ORDERED THAT:

(1) The Company's August 20, 2001, Motion is hereby granted.

(2) The dates for filing a response and reply in our August 3, 2001, Order on Motion are hereby suspended.

(3) Consistent with the representations made in its August 20, 2001, Motion, SSVA shall file audited financial statements for the year ending December 31, 2000, with the Division of Economics and Finance on or before September 28, 2001. SSVA shall file written confirmation with the Clerk of

the Commission on or before September 28, 2001, when it has filed these audited financial statements with the Division of Economics and Finance.

(4) This matter shall be continued generally, pending further order of the Commission.
